

Bitcoin Group SE announces concrete revenue and earnings forecast for 2017

Herford, December 21, 2017 – Bitcoin Group SE confirms its outlook of strong sales growth in the current financial year given in its half-year report for 2017 and publishes a concrete sales and earnings forecast for 2017, with the volume of cryptocurrencies traded on the Bitcoin.de trading platform being well above EUR 1 billion for the full year 2017. This results in a sales expectation for the Bitcoin Group of at least 10 million euros and a pre-tax profit of at least 8 million euros. The number of customers on Bitcoin.de increased to more than 645,000 by mid-December. The original target was 480,000 customers by the end of 2017.
